

1.

We've got no  
food to eat!

2.

We're going to  
starve out here in  
the wilderness!

3.

I wish we were  
back in Egypt!

4.

Me too! In  
Egypt, we had  
plenty of food!

5.

We had lots of  
meat and all the  
bread we wanted!

6.

Now we have  
nothing!

7.

We're so  
hungry!

8.

It would have been  
better if God had  
let us die in Egypt!

9.

We're really  
thirsty!

10.

There's nothing  
at all to drink!

11.

There's  
nowhere to find  
water out here!

12.

You're our  
leader! What are  
we going to do?

13.

If we don't get  
water soon,  
we'll die!

14.

Why did you  
bring us out of  
Egypt anyway?

15.

At least we  
had what we  
needed there!

16.

Now we're going  
to die of thirst  
out here!
